

Congressman Harry Teague host a series of Job Resources Fairs across the 2nd congressional district. The series of fairs will kick off at the Transportation Center in Los Lunas on Monday, February 1st. These events will feature federal, state, local and private employers across a variety of sectors, including energy, healthcare, law enforcement, education and the armed services. Attendees will have the opportunity to meet with representatives from companies in the area with immediate job openings to fill. Additionally, experts will be on hand to offer advice on career training, resume development and interviewing skills, as well as other benefits available and resources to aid in your career search. Smaller, half-hour breakout sessions focused on these issues will be held throughout the course of the event.

These events are free and open to the public. [Let me know if you can make it!](#)
